Annual Per Capital Disposal

Employees

Total Number of Employees: 706

Explain who was included in this number and how was this employee number calculated.

All employees at main office and maintenance facilities in the District. Figures compiled from administrative staff figures.

Non-Employee Population

Total number of non-employee population: 850000

Population Type: Visitors

How was this population number determined?

Obtained from traffic counts and estimations from Headquarters for visitor usage of facilities.

This report summary displays the report information as submitted by the agency. To see the final report after any corrections made during the CalRecycle staff review please see <https://www2.calrecycle.ca.gov/StateAgency/WasteMgmt/AnnualReports>

<https://secure.calrecycle.ca.gov/SARC/AnnualReport/Summary.aspx?AnnualReportID=2159&Mode=View>

Date Generated: April 25, 2019 4:15 PM

Page 12 of 38

Disposal

Total amount disposed: 4,663.07 tons

Total transformation: 0.00

How was this disposal number determined?

Calculated by combining disposal yardage from each facility and from reports submitted by construction offices.

Annual Results

	<u>Employee Population</u>		<u>Non-Employee Population</u>	
	<u>Target</u>	<u>Annual</u>	<u>Target</u>	<u>Annual</u>
Per capita Disposal Rate (pounds/person/day):	97.70	36.19	0.00	0.03
Per Capita Transformation Rate:	19.50	0.00		
Calculated Disposal Rate (pounds/person/Day):	--	36.19		

Questions

What types of waste are still thrown away (not reused, recycled, or composted)?

Construction waste, office waste, and general trash generated at each facility.

What difficulties or obstacles have you had with finding ways to recycle, reuse or compost these types of wastes?

Lack of facilities accepting organic waste materials. Education of employees, need for full-time recycling coordinator.

Programs

Recycling

Beverage containers

Glass

Plastics (#3-7)

Cardboard

Confidential shredded paper

Copier/toner cartridges

Scrap metal

This report summary displays the report information as submitted by the agency. To see the final report after any corrections made during the CalRecycle staff review please see <https://www2.calrecycle.ca.gov/StateAgency/WasteMgmt/AnnualReports>

Page 13 of 38

Wood waste

Tires

Construction materials/debris

Recycling services arranged at all facilities to increase amount of recycled materials diverted from trash.

Material Exchange

Internal property reutilizations

State surplus (accepted by DGS)

Internal program to reuse surplus property. Surplus property also sold per DGS guidelines.

Waste Prevention/Re-use

Paper forms reduction - online forms

Remanufactured toner cartridges

Reusable pallets

Electronic document storage

Intranet

Reuse of office furniture, equipment & supplies

Email vs. paper memos

Re-manufactured materials used where appropriate. Online use of forms, memos, etc. Reuse of furniture, etc., where possible.

Green Procurement

Recycled Content Product (RCP) procurement policy

Staff procurement training regarding RCP/EPP policies

RCP/EPP and/or SABRC requirements language included in procurement contracts for products/materials

Recycled products purchased when available.

Training and Education

Signage (signs, posters, labels for recycling bins. Existing or implemented by July 1, 2018)*

Adequate number and condition of receptacles (Existing or implemented by July 1, 2018.)*

1. *Recycling receptacles place at each location.*
2. *Employees encouraged to use recycle facilities.*
3. *Individual sites are responsible for managing recycle activities.*
4. *On going efforts are made to use available recycle programs.*

Organics
